

TRIP TO CUBA
15-30 JULY 2014
10 - 15 DAYS

CARNAVAL SANTIAGO DE CUBA

Cuba holidays are full of surprises... even for the most seasoned travellers.

HABANA 4 days

This Cuba holiday is a great introduction to Cuba.

It starts in the pulsating Cuban capital of Havana, with its vintage American classic cars and historic old districts makes it a picture postcard destination. You'll enjoy unique exciting cabarets, live music venues, salsa clubs, nightclubs, bars, cinemas, theatres, cafes.

SANTIAGO DE CUBA 5 Ddays

You'll enjoy the famous carnival, the congas, the concerts, 24 hours a day of colors and music explosion. This city has a unique history and culture that inhabitants in that region, located some 960 kilometers east of Havana, take

pride in.

The Carnival is its most outstanding cultural event, different from other similar events island wide, due to the Conga (female of Congo) peculiar to Santiago.

BARACOA 3 days

Get away from the tourist throngs in tranquil Baracoa.

Due to its geographic isolation, Baracoa is just beginning to be discovered by tourists. Those who venture to this remote northeastern corner of the island will discover an almost unspoiled colonial village surrounded by secluded beaches and virgin rainforest.

VARADERO 3 days

Then it's time to relax and sink your toes into the white sands and warm turquoise waters of Varadero.

Of course you'll be dancing with live music also here at the CASA de LA Musica!
